In addition to the Data Controller, the personal data is also processed by 3 in 1 Hosting Bt. the web hosting service provider, as **data processor** (registered office: 2310 Szigetszentmiklós, Brassó utca 4/A; e-mail address: admin@megacp.com) on behalf of the Data Controller.

The Website does not use any **cookies**.

The Data Controller may unilaterally modify this Policy at any time, and the modification will take effect when it is published.

2. Contact

Visitors can contact the Data Controller using any of the contact details on the Website, or by clicking on the "Contact" button. The data stated by a visitor when contacting the Data Controller will only be used for the purpose of contacting the visitor. The personal data provided may only be known to the Data Controller, and in connection with their job, to the employees who have an employment relationship with the Data Controller. Except where required by law, the visitor's personal data will not be disclosed to third parties.

- **2.1. The purpose of the data processing** is to enable the Data Controller to answer visitors' questions regarding the rental of the properties operated by the Data Controller and to send visitors personalised offer in response to such enquiries.
- **2.2.** The legal basis for the processing is the "performance of a contract" in accordance with Article 6 (1) (b) of the GDPR. The data processing is carried out at a visitor's initiative to facilitate the conclusion of a rental contract or further communication in relation to existing rental contracts.
- **2.3.** The scope of personal data processed by the Data Controller: the visitor's contact details (e.g. name, e-mail address, phone number). The personal data provided will be processed exclusively by the Data Controller and, in the context of their job, by its employees. Visitors' personal data will not be disclosed to third parties unless such disclosure is required by law.

- **2.4. Duration of storage:** the Data Controller processes the visitor's personal data for 30 days after the relevant request is answered, after which the data will be deleted.
- 3. Visitors' rights regarding the data processing:
- **3.1. Right of access:** visitors may request information from the Data Controller on the circumstances of the processing of their personal data and may obtain access to such personal data.
- **3.2. Right to rectification:** visitors may request the Data Controller to correct or complete inaccurately recorded personal data.
- **3.3. Right to erasure:** visitors may request the Data Controller to erase their personal data processed by the Data Controller. The Data Controller will always inform visitors if their data may not be erased for any reason.
- **3.4. Right to restriction of processing:** visitors may request the restriction of processing if they contest the accuracy of their personal data, or if they have a need for personal data that would otherwise be deleted (for example, to pursue their own legal claims) or if they have objected to the processing of their data as set out below.
- **3.5. Right to data portability:** visitors may request the Data Controller to electronically transfer the personal data processed by the Data Controller to another data controller if the Data Controller processes them by automated means. The Data Controller will always inform visitors if their data may not be transferred for any reason.
- **3.6. Right to object:** visitors may object to the processing of their data if the Data Controller would use such data to send them advertising, contract offers or similar commercial communications.
- **3.7. Right to lodge a complaint:** visitors have the right to lodge a complaint with Hungary's National Authority for Data Protection and Freedom of Information if they believe that the Data Controller has violated any legislation on the processing of personal data (address: 1055 Budapest, Falk Miksa utca 9-11., phone: +36-1-391-1400, e-mail: ugyfelszolgalat@naih.hu, website: www.naih.hu).
- **3.8. Right to file a lawsuit:** visitors have the right to file a lawsuit with the court that has jurisdiction over their domicile or residence (at their choice) if they believe that the Data Controller has violated their rights in the course of the processing.
